### The 5 Love Languages

*Gary Chapman*

There is a wonderful story about a man who is walking one night and comes upon another man down on his knees looking for something under a streetlamp. The passerby inquires as to what the other man is looking for. He answers that he is looking for his lost key. The passerby offers to help and gets down on his knees and helps him search for the key. After an hour of fruitless searching, he says, "We've looked everywhere for it and we haven't found it. Are you sure that you lost it here?"

The other man replies, "No, I lost it in my house, but there is more light out here under the streetlamp."

It is time to stop looking outside yourself for the answers to why you haven't created the life and results you want, for it is you who creates the quality of life you lead and the results you produce.
